This impressive villa in La Cerquilla, Nueva Andalucía, features five bedrooms across two levels, including integrated guest accommodation and a separate guest house. The property is designed with controlled architecture and refined interiors, complemented by a private garden with a pool, jacuzzi, and gazebo overlooking open fairways.

The entrance level is thoughtfully arranged for seamless movement, with a kitchen, dining area, and two living spaces that open onto terraces for indoor/outdoor living. Additional amenities include a functional home office, a gym, and a sauna, making it easy to enjoy time at home.
