Villa in Malaga

Elegant five-bedroom house in the historical centre of Ronda

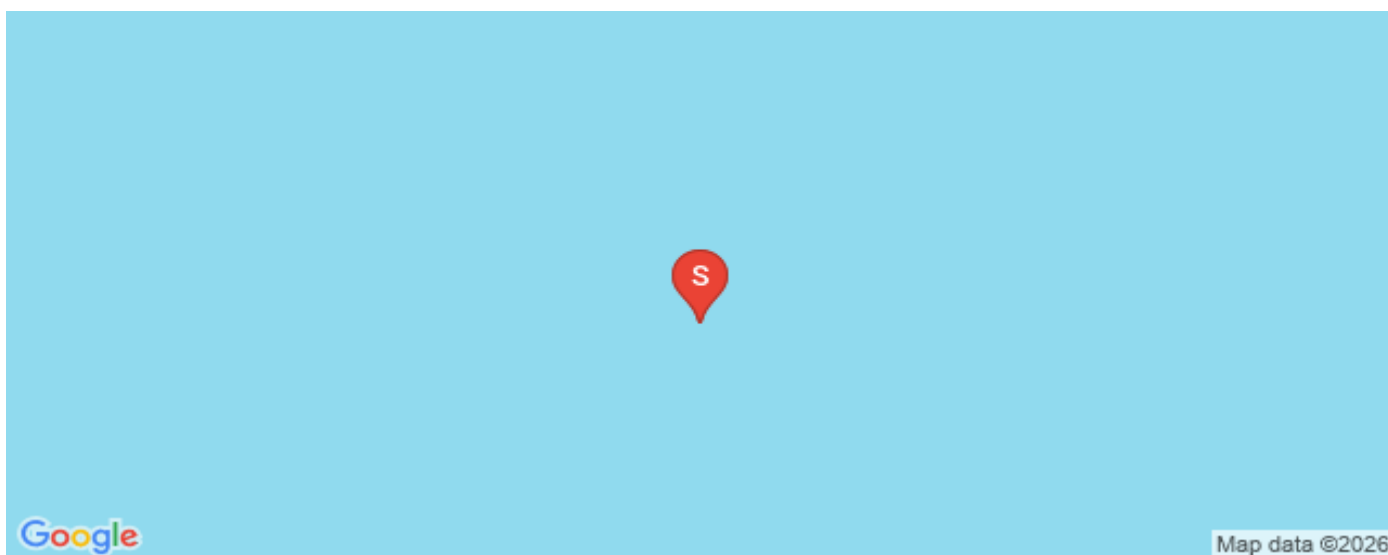

This beautifully renovated house from the XVII-XVIII century is located in the heart of Ronda, surrounded by stunning monuments such as Arabian palaces and churches. The property maintains its authentic character while offering spacious and comfortable living areas.

On the ground floor, you will find a welcoming hall with Sevillian tiles leading to a glass-covered Moorish patio with a tea room. The cozy living room features a fireplace and a bright corner room. Additionally, there is a large dining room with two large windows and a serving hatch from the kitchen, which connects to an old living room with another fireplace. The upper floor boasts five well-decorated bedrooms, all with street-facing balconies, and four bathrooms, including an en-suite bathroom in the master bedroom. The attic and terrace provide wonderful views of the mountains and the old town.
