Villa in Mijas

Exclusive development of premium homes with stunning sea views in Costa del Sol

This exclusive development features seven premium homes with 4 and 5 bedrooms, offering breathtaking views of the Mediterranean Sea. Located in the heart of Costa del Sol, residents can enjoy a variety of leisure activities, shopping centres, golf courses, and essential services, all within a secure environment.

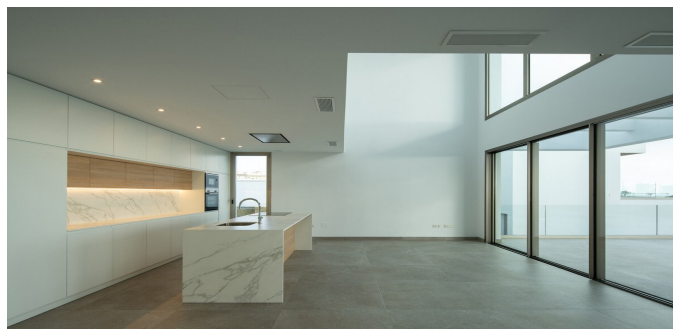

The homes are positioned directly across from the beaches of Mijas, with direct access from the N-340 (A7). This project consists of detached single-family houses built to the highest quality standards, set in a natural environment just 100 metres from the beach. The contemporary architecture harmoniously blends generous private spaces with the surrounding landscape, creating a peaceful retreat just 5 minutes from the centre of Fuengirola and La Cala de Mijas, 15 minutes from Marbella, and 25 minutes from Málaga Airport.
