## House in Estepona

Innovative concept and most advanced ideas and creative thoughts underlie this unique property in Spain. Stylish and energy-efficient modern luxury villa will be located halfway between the glamorous, boiling secular life of the famous Puerto Banús port and a relaxing resort of Estepona, a short drive from the charming coastal town of San Pedro, who managed to save his classic Spanish charm.

This prestigious area is known for high level of quality of real estate and life safety.

Area is surrounded by:

several picturesque golf courses Nearby are shops and supermarkets. Fashionable bars, restaurants Tennis clubs Popular international schools 5-star hotels in Marriott's Playa Andaluza, Kempinski and Las Dunas Exclusive commercial center Beach Club "Laguna Village"

All this makes the area an excellent choice for those who want to live in a quiet, peaceful place, but have any opportunities at hand and everything you need for the most comfortable life and a variety of exquisite holiday

2-storey house in Spain with magnificent modern interiors will offer:

entrance lobby Spacious residential opening zone with lounge salon and separate dining room Views from huge panoramic windows 4 bedrooms 4 bathrooms Open Plan Gourmet Kitchen, where any culinary dreams can come true

The external territory is ideal for enjoying the fresh air - chill-out spots, locations for Al Fresco dinners and sunbathing. Landscape landscaped subtropical gardens will combine the Mediterranean traditional of local plants with modern calm chic, harmoniously integrating nature in the "Contemporary" design.
