House in Costa del Sol

Modern fashion villa in the eastern part of Marbella, Elviria. The villa instantly attracts attention, the property in Spain itself awakens interest and leaves in admiration. What makes this project of a modern villa so special and different from others?

One of the main criteria is the location of the villa, which plays an important role because real estate in Spain is more relevant. This property will be built on an elevation, which will give its residents the opportunity to enjoy the views of the Mediterranean Sea.

No doubt, architects, designers and future owners of this villa have an amazing sense of style: unique facade, clarity and conciseness of open planning of residential premises, smooth surfaces of clear forms, proportionality of lines, refined palette, giving interior noble simplicity, abundance of glass and high ceilings that create a feeling of a huge and light space - elegance in everything, even in the smallest, but at the same time unique items that are striking everyone who sees them.

Villa Raplant:

Spacious living room dining room 3 bedrooms 4 bathrooms Equipped kitchen

High security, intelligent technologies, latest premium equipment and innovative household appliances - there is everything you need to consider the house advanced and technologically advanced.

Infinity pool, which overlooking the south side, the panoramic property of the Luxury class will be created using the best building and finishing materials and potential buyers today can still choose some of them to taste, and also affect their needs, On the distribution of the space of the basement, where the cinema can be located, a wine cellar, a bar, a gym, and maybe the 4th bedroom.
