The new residential complex, which consists of 38 luxury villas, is located in one of the most picturesque places in Benahavis. The houses are built on high European quality standards, equipped with heating and air conditioning, alarm system, double double glazing. Very spacious rooms, living rooms with fireplace. Each house has its own private garden with a pool and its own parking. Elegant views on the coast, Gibraltar and Africa are opening away from everywhere! The complex has a recreation club, where concierge services are provided for the owners, there is an indoor heated pool, gym, spa. Within a short drive from Benahavis, famous for its Higher Spanish Kitchen Restaurants. There are also available: 4 and 6 bedroom villas.
