House in Benahavis

Mansion made in the style of Rustic and located in La Zagaleta. The house is built using high-quality materials, the windows of the house are focused on the south. From the territory there are stunning panoramic views of the Mediterranean, mountains and a golf course.

Almost everything in the house is located at the same level: the main hall, living room with fireplace and high ceilings, dining room, fully equipped kitchen with dining area, guest toilet. The main bedroom with its living room, one guest bedroom with its bathroom and two guest bedrooms with a shared bathroom.

From the living room you get to the spacious terraces, from where the stairs go down in lush green gardens, where the heated pool is located.

The house also has a lower floor (ground), where guest bedrooms are located / room for staff and garage for 2 cars.

Villa is located at the top of the urbanization of La Zagaleta, 15 minutes from the coast.
