House in Girona

19th century Massia in the small town of Fontanias in Girona Province. It consists of two independent buildings in an area of  hectares. Located 5 km from the medieval city of Palce. Magnificent interiors, spacious salons. Incredible area with pool, fruit garden and 12 x 6 meters swimming pool. It is ideal for both lovers of quiet life in a quiet secluded place and for investors for the alteration of Masia to a cozy countryside hotel.
