Land plot in Horta-Guinardo

Sale plot for the construction of a residential apartment building in the area of Barcelona-Orta Ginardo. At the moment there are 2 buildings on two streets on the site. The plot allows the construction of 17 apartments, but the project was made on 13. According to the project, these are two blocks of buildings, interconnected and overlooking two different streets. There is a basic project and a license is requested. On the photo, the full description of the floors of the baseline project and the square.

The cost of the object is not included in the Agency's Commission and is paid separately
