Villa

Luxury villa in Los Flamingo, a prestigious round-the-clock golf complex, known for its five-star Villa Padierna Hotel with exclusive amenities. It occupies an elevation on the south side with an enviable view of the Mediterranean Sea and Mountains. This villa, designed by the Italian architect Daniela Paramati, was built according to the highest standards and with the most modern design. House 878m2, on a plot 2122m2. There is a large entrance hall, a spacious open-plan living room with a fireplace, a modern designer cuisine with a Kupperbusch technique and a dining area, a room, a TV room, a gym, two guest bedrooms with a common living room. Family bathroom and access to the garden with heated pool. On the second floor there are three bedrooms and two bathrooms. Of which the main bathroom, and all have access to the terraces. At the lower level there is a multipurpose room, at present the gym, with a bathroom and storage room. There is also a garage for three cars.
