## Plot in Blanes

Building plot for sale in Blanes – Sant Joan

A unique opportunity in Blanes. Last available plot in the Sant Joan area, one of the most peaceful and desirable residential areas in the municipality.

The plot measures almost 500 m<sup>2</sup> and boasts spectacular panoramic views of the sea and the town, with an excellent orientation that maximizes natural light throughout the day.

Ideal for building a detached house with a garden, swimming pool, and spacious terraces, in an environment that combines privacy, nature, and proximity to the town center, amenities, and beaches.

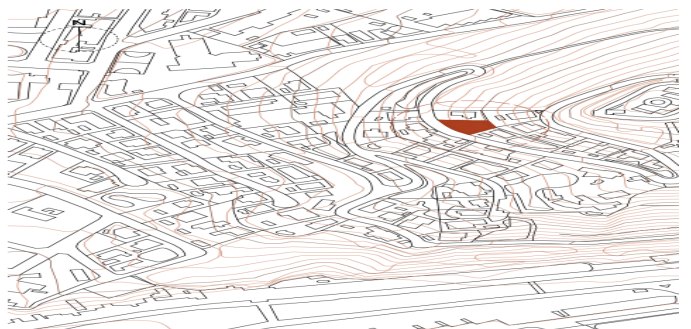

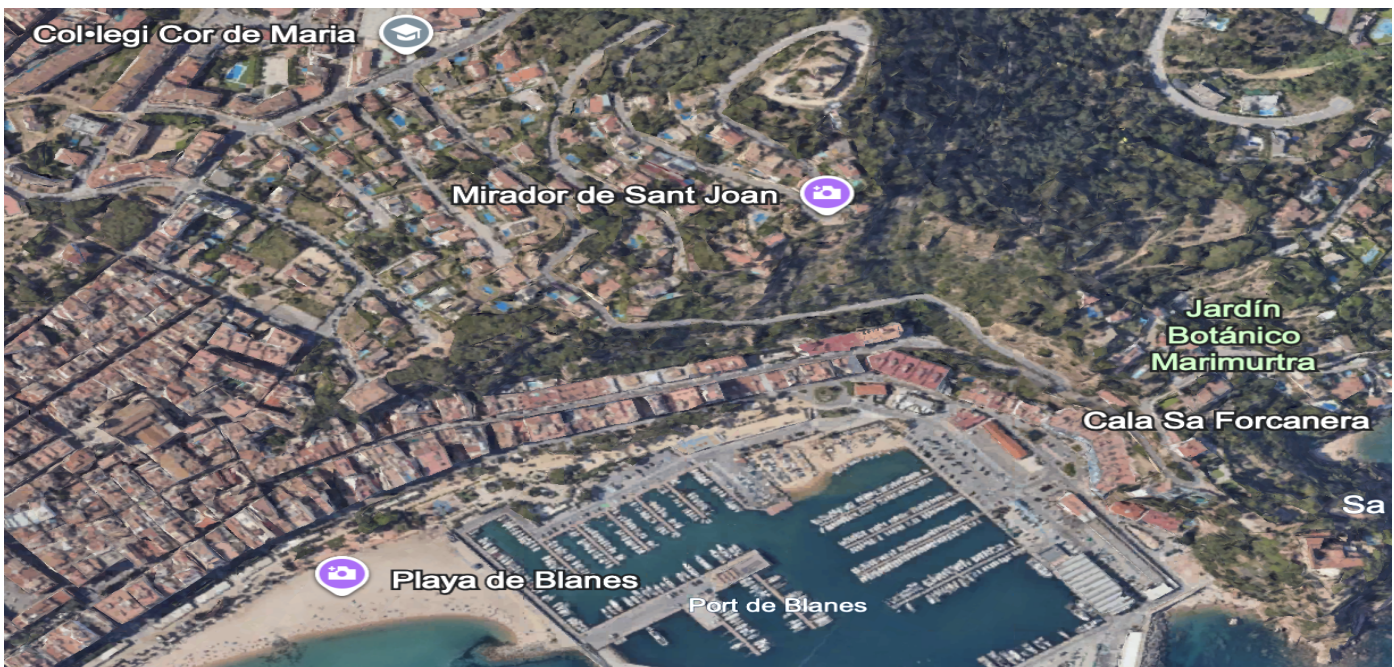

A rare opportunity in Blanes, especially as this is the last available plot in this area.

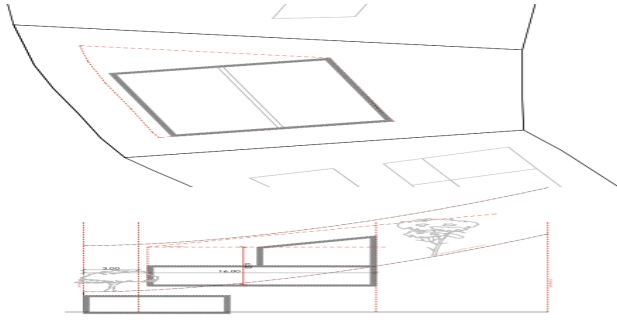

80 km from Barcelona and 40 km from Girona.
