Land plot in Mijas

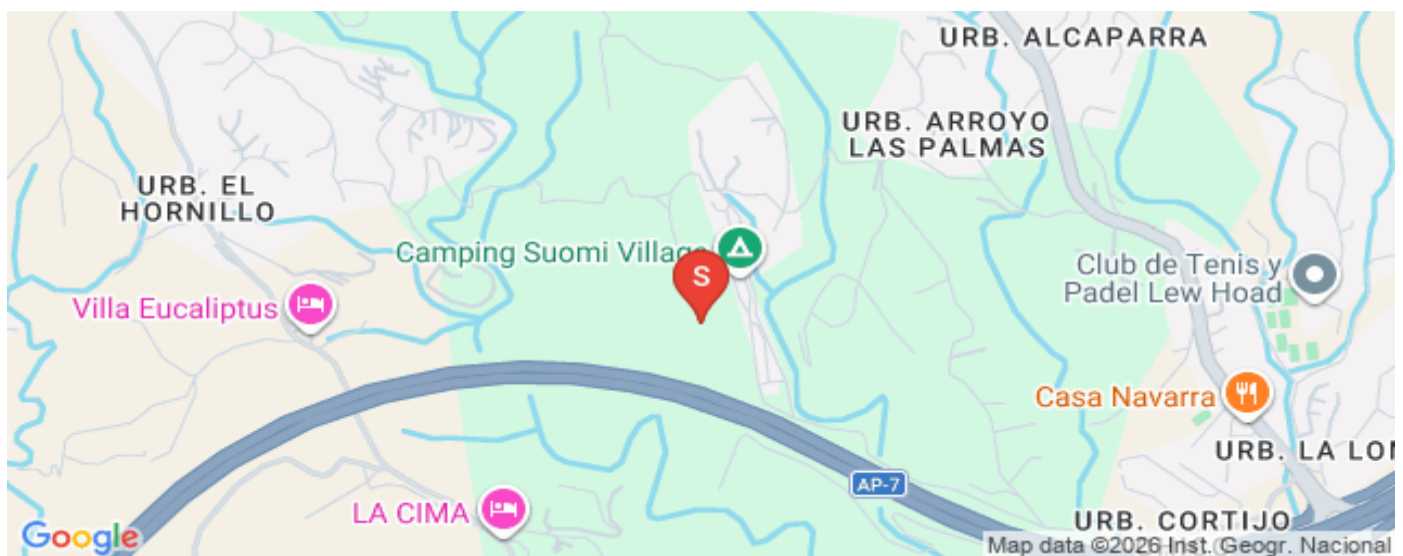

Urban plot for sale in Mijas with development potential

This 3,000 m² urban plot in Mijas presents a strategic investment opportunity in the Costa del Sol. Nestled between Mijas and Fuengirola, this property offers a unique blend of building potential and serene Mediterranean surroundings, all while being conveniently located near the main road connecting Fuengirola and Mijas.

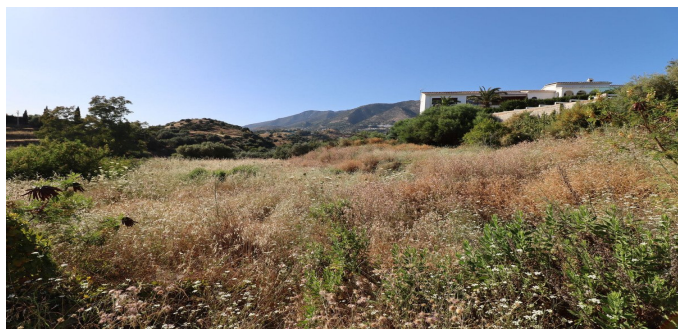

The plot is confirmed for residential development, allowing for options such as six independent villas on 500 m² plots or five villas on 600 m² plots. This flexibility makes it an attractive prospect for builders and developers looking to capitalize on one of the most desirable areas in the region.

Key features

- Plot area: 3,000 m²
- Development options: 6 independent villas (175 m² each) or 5 independent villas (210 m² each)
- Strategic location between Mijas and Fuengirola
- Excellent accessibility to coastal services
- High potential for residential development
