Land plot in Malaga

Plot with panoramic views in El Lago Project, Real de La Quinta

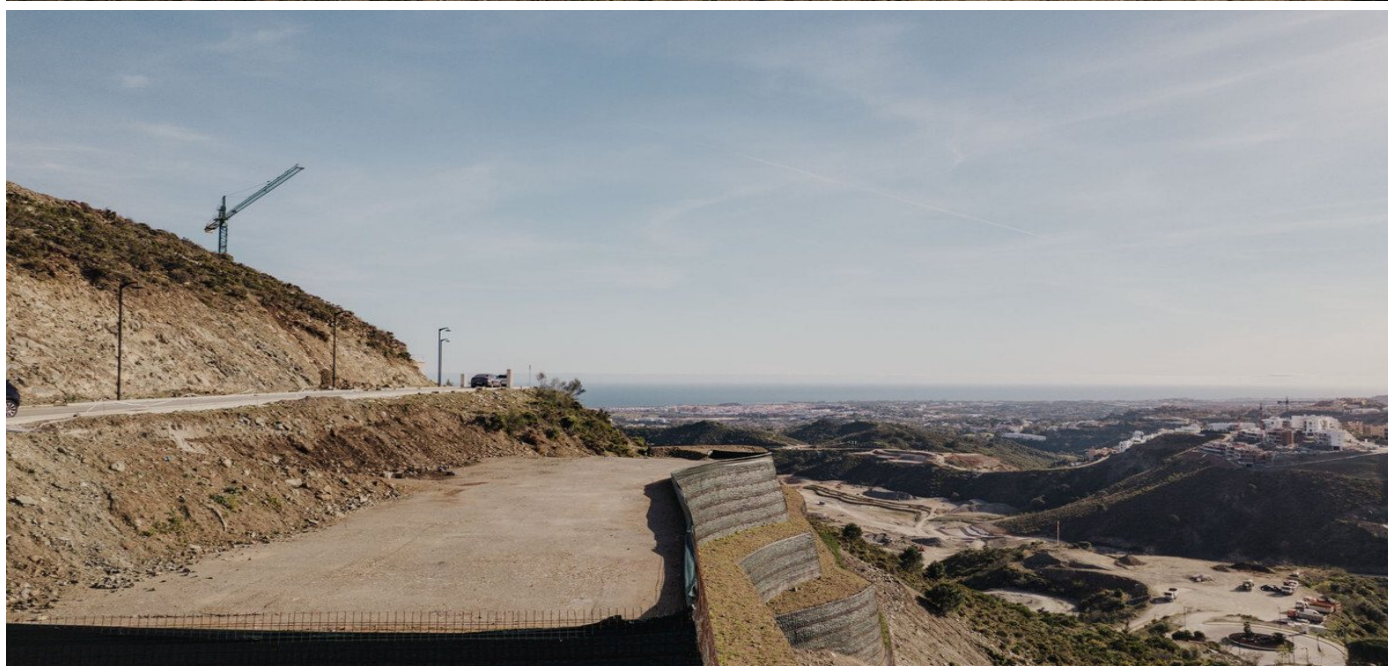

This 2,200 m² plot is situated in the prestigious El Lago Project in Real de La Quinta, within a secure gated country club estate. From this elevated position, owners will enjoy stunning panoramic views of Gibraltar, the North African coastline, and the surrounding mountains, along with breathtaking sunsets due to its west-facing orientation.

The plot allows for a total internal build of 462 m², including a basement. A conceptual design is already in place, but buyers have the flexibility to create their own bespoke villa project. Significant groundwork has been completed, including a flattened plot and a large retaining wall, saving the buyer an estimated €150,000–€200,000 in preparation costs.

Key features

- Plot area: 2,200 m²
- Total build area: 462 m² (including basement)
- Panoramic views of Gibraltar and North Africa
- Conceptual design available
- Significant groundwork completed
