New-build development of 16 townhouses in a tranquil environment

This attractive residential project consists of 16 high-design townhouses, currently in the pre-project phase with the license in process. The development is designed to offer a perfect balance between modern living, functionality, and architectural quality, set in a natural and well-connected environment.

Each townhouse will feature a built area of 166 m², with 4 bedrooms and 4 bathrooms, an open-plan loft-style living-dining area, an interior patio, a private jacuzzi, and spacious terraces. The complex will include extensive landscaped areas, a communal infinity pool, and outdoor parking spaces, all within a gated community that promotes tranquility and proximity to essential services.
