Land plot in Malaga

Exceptional hotel complex investment opportunity in Málaga

Discover an extraordinary investment opportunity in Málaga, featuring 760,000 m² of land ideal for developing a hotel complex. This unique property is perfect for creating a luxury eco-hotel, wellness retreat, or boutique hotel, surrounded by natural beauty and tranquility.

The estates come with approved or pending hotel initiatives, making this one of the most attractive tourist assets in Andalusia. With the potential for multiple business lines, including a main hotel, boutique villas, and an equestrian center, this project promises significant growth and a premium experience for visitors.

Key features

- Total area: 760,000 m²
- Approved hotel projects: 36 rooms, 10 rooms, 20 rooms, and 13 rooms
- Additional licenses available for new hotel projects
- Strategic location: 30-40 minutes from Málaga city and airport
- Ideal for luxury and sustainable tourism development
