Land plot in Mijas

Urban building plot with development potential in Mijas

An urban plot of approximately 674 m² is available for sale in a well-established residential area of Mijas. This location offers excellent access to essential services, making it an ideal option for self-build projects or small-scale residential development.

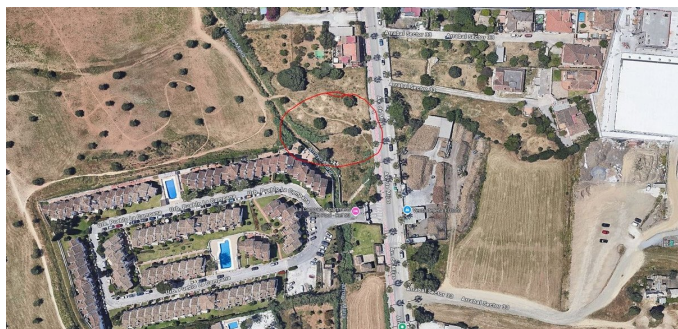

The flat terrain allows for direct access from a public road, and the plot is classified as urban land under current planning regulations. With the possibility to develop up to 5 residential units, this plot presents a unique opportunity for developers and private buyers alike.

Key features

- Plot size: approx. 674 m²
- Buildable area: approx. 560 m²
- Possibility to develop up to 5 residential units
- Established urban environment
- Connection to water, electricity, and sewage networks
