Land plot in Fuengirola

Residential plot for sale in Torreblanca Fuengirola with sea views

This residential plot in Torreblanca Fuengirola offers a prime investment opportunity, located less than one kilometer from the prestigious El Higueron area. The total plot size is 19,000 m², with 11,047 m² designated as buildable space, allowing for the construction of 116 apartments.

The plot comes with all necessary licenses from local authorities, and the typology and density have been fully approved. It features complete infrastructure, including water, electricity, sewage, communications, and road access. The plot is divided into five sub-plots, enhancing its appeal for phased development, with most apartments expected to have sea views.

Its desirable location is just a five-minute drive to Fuengirola and the seafront, and only 15 minutes to Malaga Airport.
