Land plot in Manilva

Collection of 7 villa plots with sea-view potential in La Paloma

This private collection of 7 villa plots in La Paloma presents a unique opportunity for developers and investors. With a total land area of 9,532.15 m² and theoretical buildable volume of 9,532.15 m³, these plots offer the potential for a low-density residential environment with sea views.

Each plot varies in size, with the smallest at 1,106 m² and the largest at 1,831 m². The groundwork for a 7-villa scheme has already been initiated, making this an intelligent acquisition for those looking to establish a coastal land strategy.

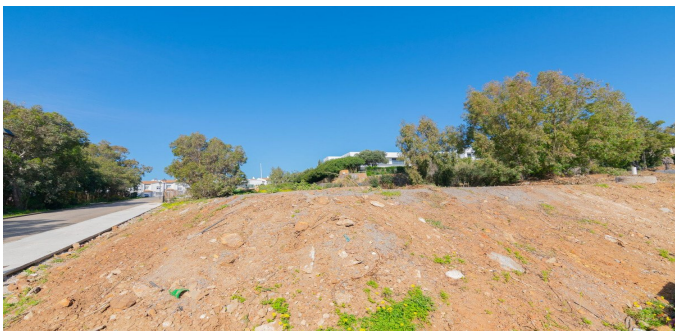

Key features

- Total land area: 9,532.15 m²
- Buildable area: approximately 3,177.38 m²
- Plot sizes range from 1,106 m² to 1,831 m²
- Sea-view potential
- Vendor flexibility for acquisition
