Land plot in Marbella

Plot with sea views for villa construction in Marbella

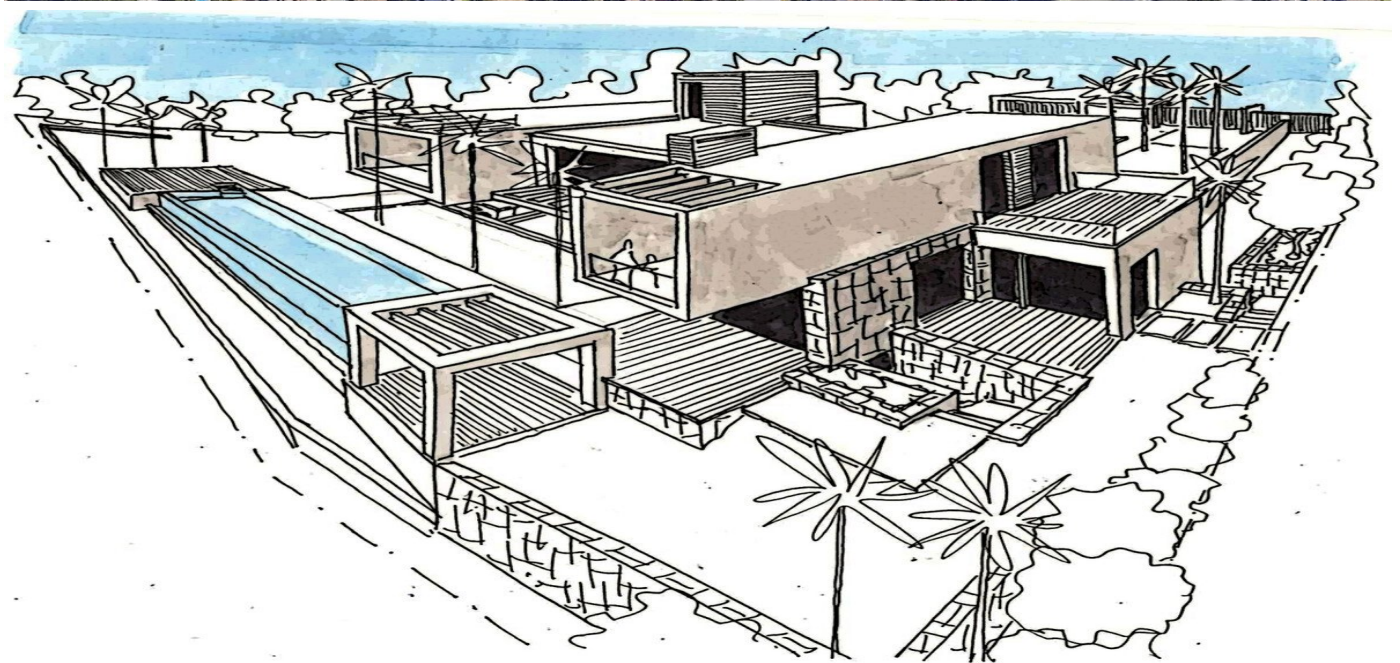

This flat plot of 1,795 m² is located next to Sierra Blanca, just a short distance from Marbella center and the Golden Mile, known for its beautiful beaches and restaurants. The plot offers stunning sea views and comes with a project for a luxurious villa of 903.45 m², which can be built on four levels.

The project includes a spacious open-plan living-dining-kitchen area, four bedrooms, a roof terrace, and a basement, all designed to maximize the panoramic mountain views. Additionally, there is an option to build two separate villas, making this an attractive investment opportunity.

Key features

- Land area: 1,795 m²
- Project for one villa: 903.45 m²
- Sea views towards The Golden Mile & Puerto Banus
- Possibility to build two separate villas
- Sought-after urbanization with completed infrastructure
