Land plot in Malaga

Contemporary villa project with stunning views in Puerto del Almendro

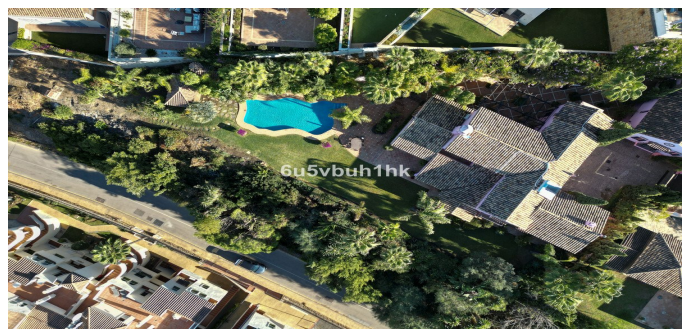

This elevated plot offers a unique opportunity to build a contemporary villa designed by renowned architect Cesar de Leyva. Located in the peaceful urbanisation of Puerto del Almendro, this project promises breathtaking views of the golf course, mountains, and the sea.

The villa will feature four floors, each with terraces, including a rooftop terrace to enjoy views of Gibraltar and North Africa. A private pool will be located on the upper terrace, and the design allows for customization to meet the buyer's requirements. The area is protected, ensuring a safe investment.

Key features

- Land area: 512 m²
