Land plot in Mijas

Urban plot for residential development in Mijas

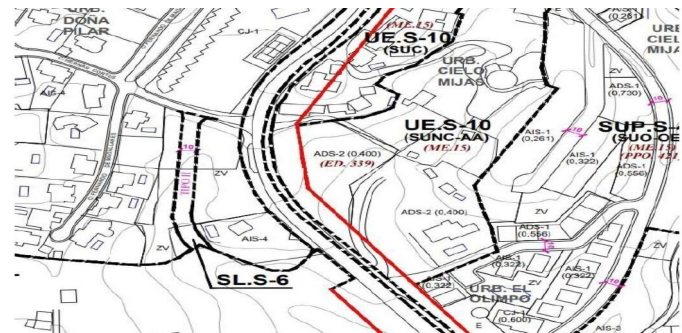

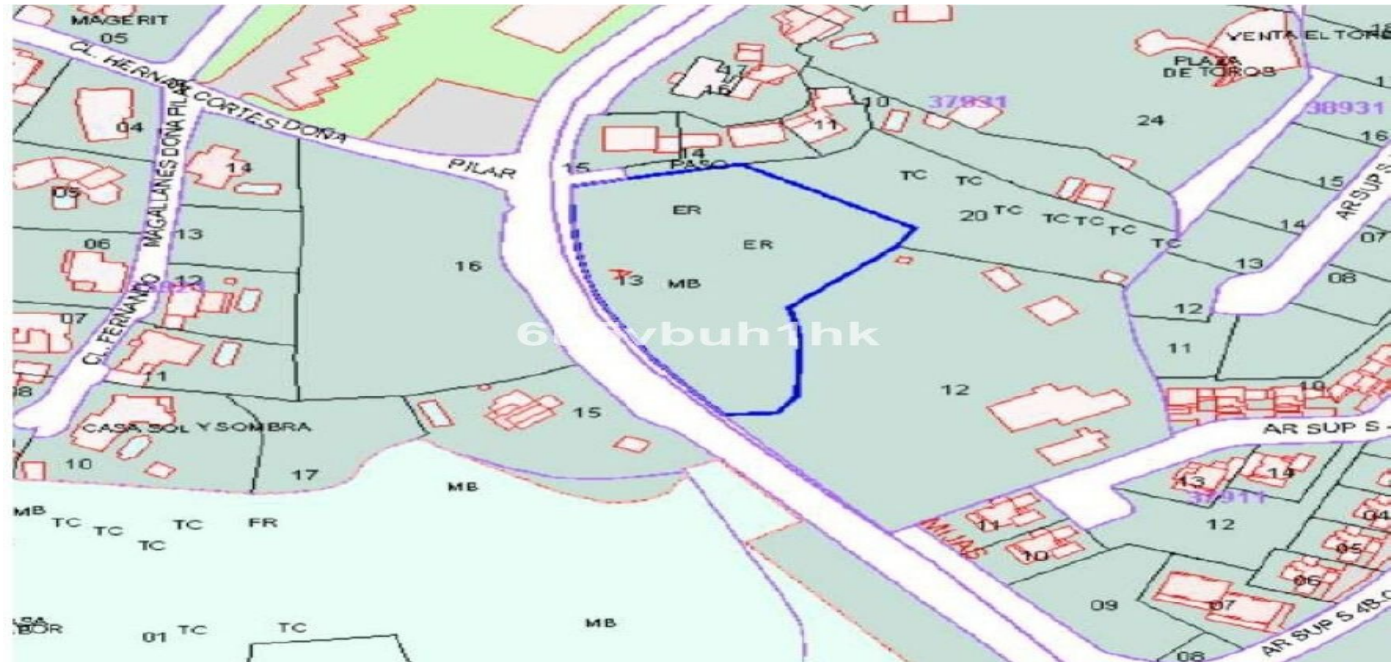

This urban plot is situated in a prime location within the municipality of Mijas, offering stunning views of the Costa del Sol. The land spans 4040 m² and is part of the UE S-10 Execution Unit, with an approved Detailed Study (ED. 339) titled "Cielo Mijas," which outlines the construction of a residential complex comprising 18 semi-detached homes, each with a built area of 176 m² and a designated parking space.

This is an excellent opportunity to initiate a residential project in a strategic area with significant potential. The buyer will need to develop the Basic and Execution Project and apply for the necessary building permits.
