Land plot in Marbella

Plot for sale in El Rosario with project for a large house

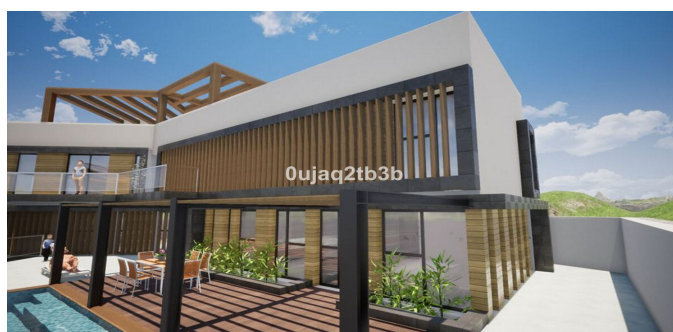

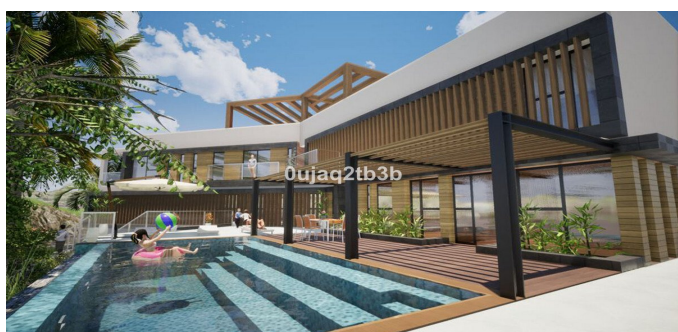

This impressive plot of 1,704 m² is located in the sought-after residential area of El Rosario, just a short walk from the sports center, commercial center, and various services and amenities. The plot is oriented to the south-west, making it ideal for maximizing sunlight.

A project is already in place to build a spacious house that will take full advantage of the slope of the land. El Rosario is a well-established area with a high demand for plots and properties, making this an excellent opportunity for development.

Key features

- Plot area: 1,704 m²
- South-west orientation
- Project for a large house available
- Walking distance to amenities
- High demand residential area
