Land plot in Marbella

Rustic plot of land with investment potential in Marbella

This expansive 28,440 m² plot of land in Marbella offers a unique opportunity for visionary investors. Overlooking the renowned Cabopino Golf course, this property is poised for future development as the town hall is currently updating its usage regulations.

The plot features a charming traditional villa showcasing classic Andalusian architecture and a cozy wooden cottage, ideal for guests or a private retreat. Its prime location ensures easy access to the main roads leading to both Malaga Airport and Marbella's vibrant center.

Key features

- Land area: 28,440 m²
- Traditional villa with Andalusian architecture
- Cozy wooden cottage
- Prime location near main roads
- Investment potential for future development
