Townhouse

A new closed protected complex consists of 55 spacious townhouses, each of which has 3 bedrooms, 2 bathrooms and a guest bathroom. The terraces offers a wonderful view of the golf course and the sea. The complex has a closed protected area with a garden and a communal pool, in each house its garage (on the basement). On the first floor there is a spacious living room, kitchen, access to the terrace, on the second there are bedrooms and bathrooms. And at the top, each Townhouse has a terrace-solarium in size of 50 sq.m. With panoramic views of the sea. The kitchens are equipped with household appliances from the best manufacturers, air conditioners are also installed, bathrooms are equipped with plumbing. The complex has an energy efficiency index equal to B. Effective sound insulation and thermal insulation. On the roofs installed solar panels to save electricity. The end of the construction of the third phase of the complex took place in 2019. Under the terms of payment and other issues, contact our managers.
