Townhouse in Lloret de Mar

House in first line with sea views

Beautiful townhouse with sea views in the heart of Lloret de Mar.

It consists of more than 370m² built, divided into two floors. Second floor consists of a spacious living room with access to the terrace overlooking the sea, kitchen and toilet. On the second floor there are 5 bedrooms and 3 bathrooms. On the second floor there is an additional room, currently converted into a guest bedroom, there is also a full bathroom with shower and exit to the roof terrace overlooking the beach.

Garage for 2 cars, heating, communal pool, garden areas.

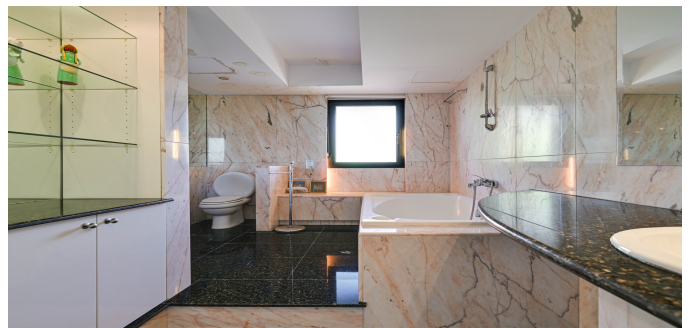

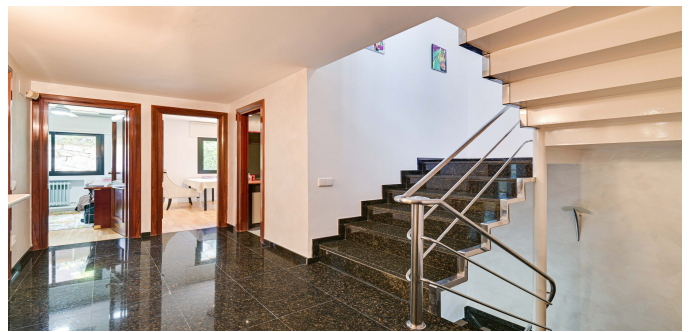

It also has a tourist license, a great investment opportunity.

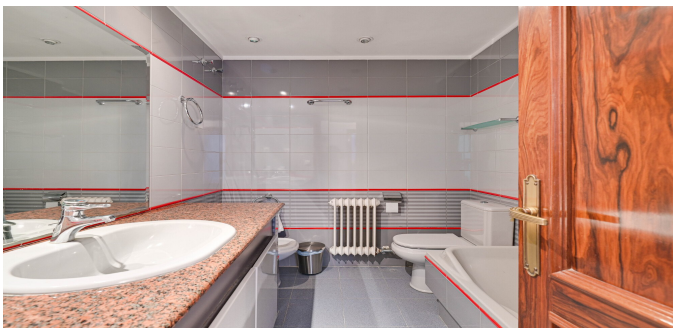

Fantastic location if you want to live in your own home but with all the amenities offered by the central core of the population. A few meters from the beach and all services.

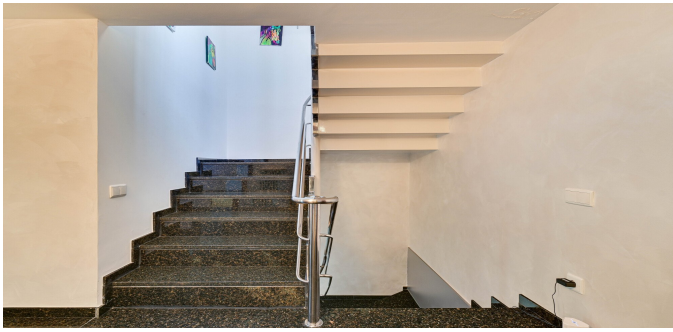

Lloret de Mar is a privileged destination on the Costa Brava, with spectacular beaches, natural coves and an ideal climate all year round. Just one hour from Barcelona, it offers an excellent quality of life, complete services and a perfect environment to live or invest. Ideal for those seeking tranquility without sacrificing leisure and comfort.
