Townhouse complex in S'agaro

This exclusive development in S'Agaró comprises eight newly built townhouses in the heart of the Costa Brava, designed for those seeking a contemporary lifestyle in a tranquil setting, just minutes from the town center and the area's best beaches.

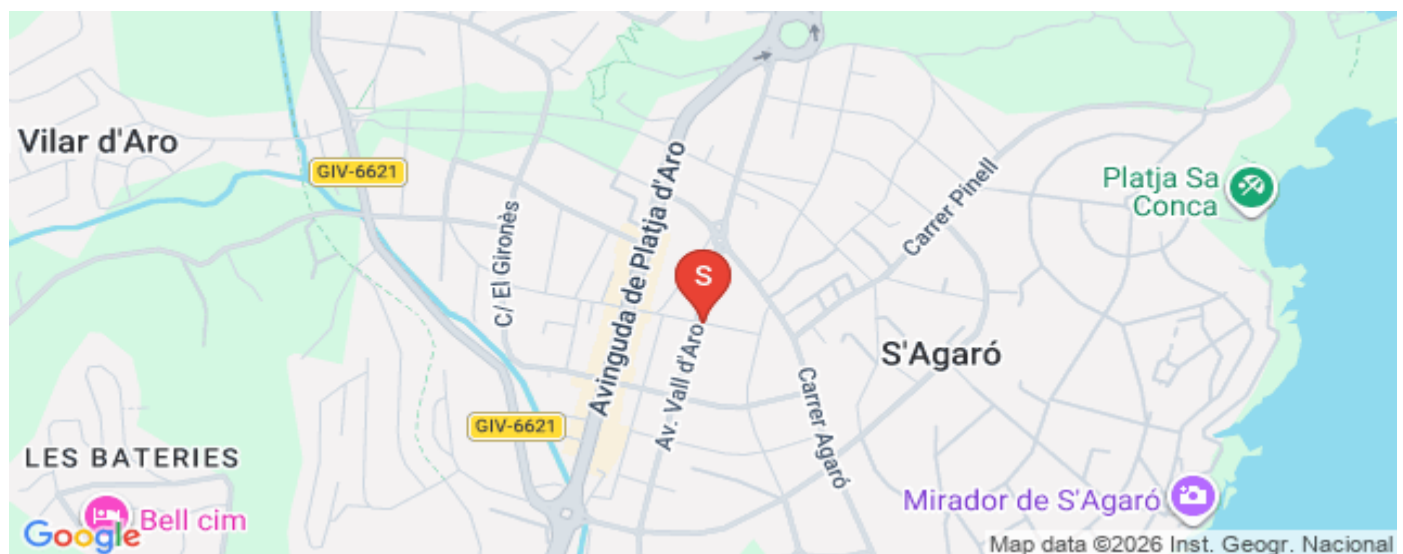

Each home offers a comfortable layout with four bedrooms, three bathrooms, a spacious living room filled with natural light, and an elegant Italian-designed Snaidero kitchen. The outdoor spaces, with an entrance patio and terrace, seamlessly integrate with the interior, allowing you to enjoy the Mediterranean climate year-round.

Built with high-quality materials and finishes, the homes feature Italian kitchens and wardrobes, Porcelanosa finishes, aerothermal heating and cooling, and top-of-the-line carpentry and fixtures. The distinctive latticed facades provide privacy, sun protection, and a modern, sophisticated architectural style.

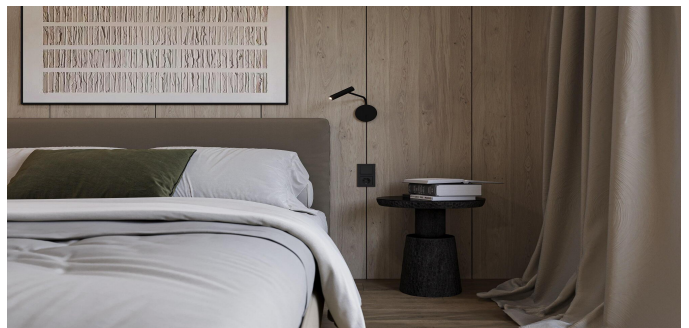

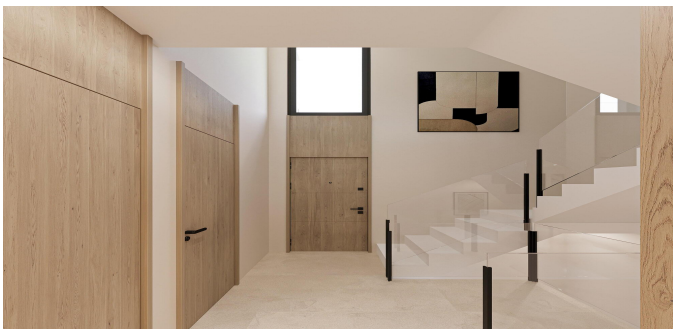

The complex offers a communal swimming pool and garden, as well as enclosed parking, outdoor spaces, and motorcycle parking, providing convenience and functionality for the whole family.

An excellent opportunity to live or invest in one of the most prestigious areas of the Costa Brava.

Prices from €1,100,000.
