Townhouse in Marbella

New build townhouses and villas in Elviria

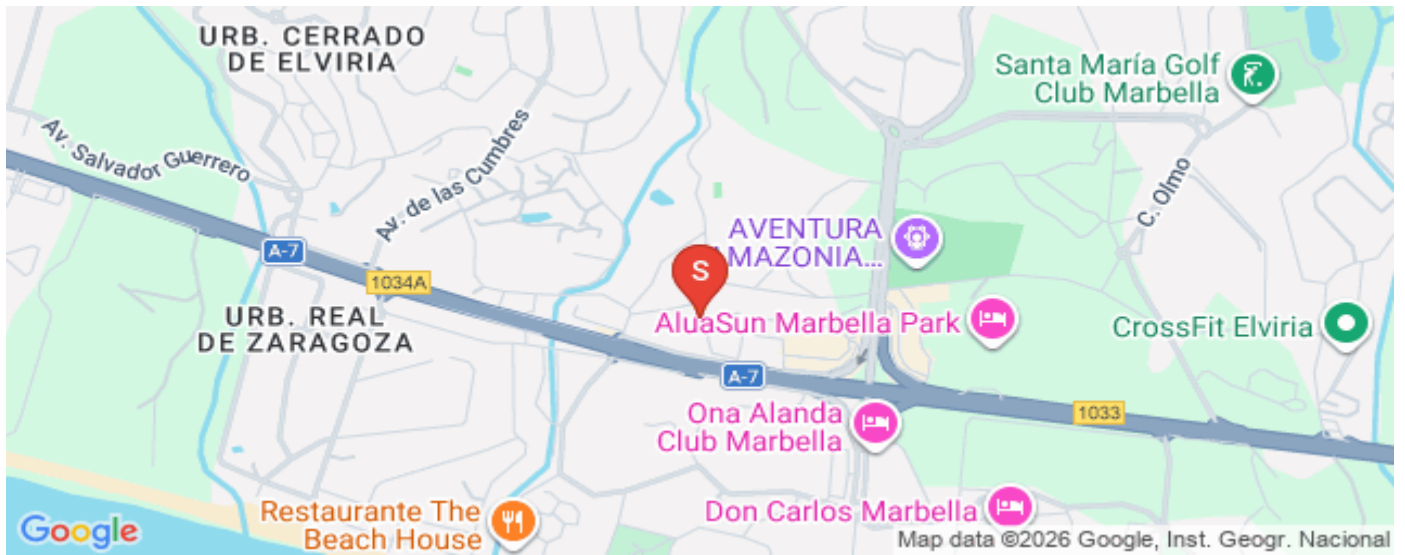

This new off-plan project features 25 properties, including 18 townhouses and 7 independent villas, set on a 15,000m² plot. The modern townhouses face South and Southwest, providing views of the communal gardens and pools, while the villas offer 4-5 bedrooms and 3-5 bathrooms with large terraces overlooking private gardens and swimming pools.

Each townhouse includes a rooftop solarium with pre-installation for an outdoor kitchen, underfloor heating, and a choice of layouts. The development is located in Elviria, just 30 minutes from Malaga Airport and a short walk to commercial centers and beautiful beaches, making it an ideal location for both living and leisure.
