Townhouse in Marbella

New boutique residential development in San Pedro de Alcántara

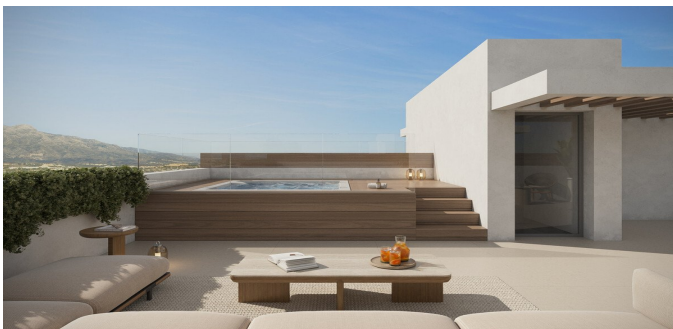

This newly launched boutique residential development is situated in one of the most sought-after areas of San Pedro de Alcántara, just a short walk from the beach and essential amenities. The project combines contemporary architecture with high-quality specifications, offering an exceptional lifestyle in a prime coastal setting.

The development consists of a limited number of units, ensuring privacy and exclusivity, including townhouses, apartments, and semi-detached villas. Each residence features bright, open-plan living spaces, high-end finishes, and private outdoor areas, making it ideal for year-round enjoyment.

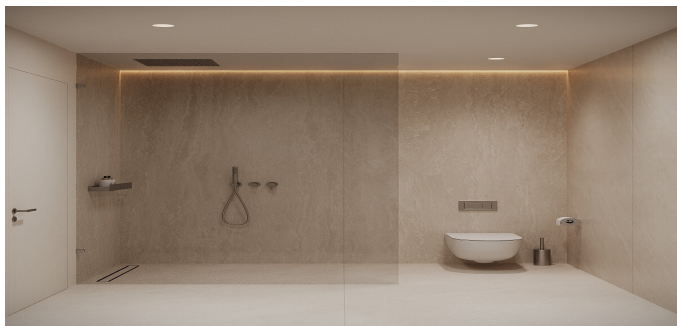

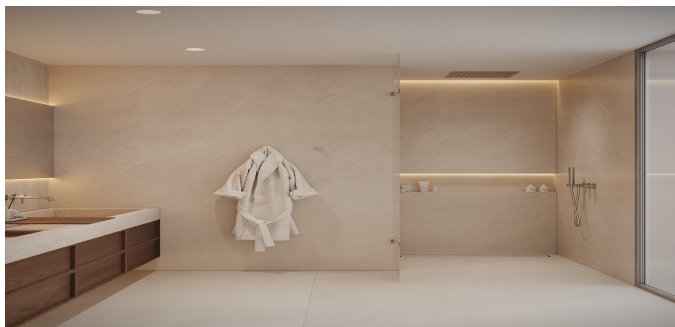

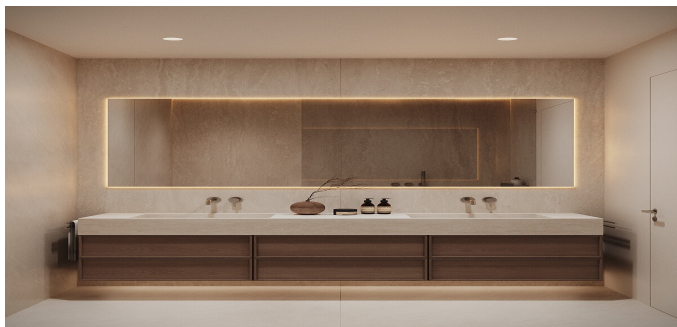

Key features

- Type: residential development
- Bedrooms: 4
- Bathrooms: 3
- Built area: 254 m²
- Garden: private outdoor spaces
- Parking: available
- Air conditioning: installed
