Townhouse in Malaga

Four-bedroom house with sea views in San Federico

This stunning four-bedroom house in San Federico offers a perfect blend of spaciousness and natural light, designed to create a seamless connection with the beautiful surroundings. The elegant interior is spread across several floors, featuring large rooms and high-quality finishes from renowned brands like Porcelanosa. Enjoy breathtaking sea views from your private terrace, enhancing your daily experience with the tranquility of the Mediterranean.

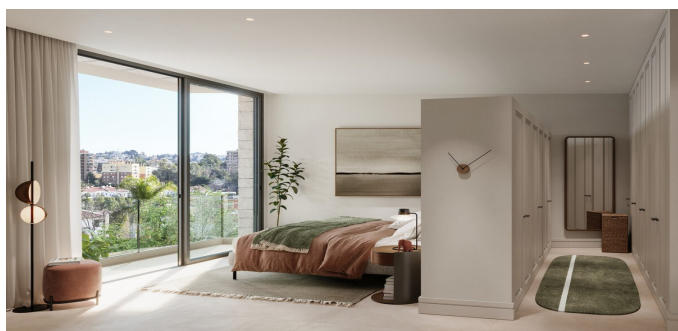

Quality is evident throughout the home, where contemporary design meets noble materials, fostering a sophisticated and welcoming atmosphere. This residence is equipped with an aerothermal system for hot water production and a climate control system, along with photovoltaic energy installation, allowing for significant savings of up to 60% on electricity consumption. Ideal for families seeking a harmonious space to grow and enjoy life.
